Contract with city police approved

by Dan Sanderson
Staff Writer

After working nearly a year and a half without a contract, the Grayling City Police officers have an approved agreement with the city.

The Grayling City Council ratified a three-year contract with the union, representing the five Grayling City Police officers, on Oct. 23.

The police officers were working under terms of a contract which expired on June 30, 2006.

Approval of the new employment pact ended a stalemate between the Fraternal Order of Police Union, representing the officers, and city officials. The dispute, which had failed to be negotiated, was heading to a state arbitration panel.

"It was a win-win for both sides and we were able to bring to rest negotiations that had been taking place for the last 16 months," said Grayling City Police Detective Dennis Long, the steward for the police union. "Some of the key issues were addressed and I'm glad we were able to resolve this instead of going through arbitration."

The officers will receive a 3 percent pay increase each year for the next three years, Continued on Page 9A

Mittens knitted for kids

Seniors from the Northeast Michigan Community Service Agency's Retired and Senior Volunteer Program have knitted or crocheted sweaters, hats, mittens and small afghans which will be donated to area agencies and schools for local children. Most of the yarn was purchased with a \$500 grant from the Crawford-Roscommon Child Protection Agency. Alice Snyder, the director of the Crawford County Commission on Aging, submitted the successful grant application. Above, seniors Onna Elmy and Paula Barton recently presented hats, mittens and sweaters to Jayden, Kianna, Gared, Aleegan and Jasmine at the Grayling Headstart program.

Budget deal saves Shawono Center

by Dan Sanderson
Staff Writer

Two local facilities that rehabilitate juvenile offenders were spared from the budget ax by state lawmakers last week.

The budget for the state's 2007-08 fiscal year for the Department of Human Services (DHS), approved last week, included funding for the Nokomis Challenge Center and the Shawono Center, two facilities threatened with closure during the state's budget negotiations.

The Shawono Center houses 40 young men near Grayling and offers a variety of services to juvenile offenders including substance abuse counseling, mental health treatment, and educational and vocational training.

The Nokomis Challenge Center serves 40 youths, and is located a few miles south of Houghton Lake. Nokomis specializes in substance abuse treatment as well as rehabilitation of general offenders. Together, the facilities employ about 90 full and part-time employees.

State Rep. Joe Sheltown, D-West Branch, lobbied the legislature's apportionments committee to include the funding, since both facilities are run efficiently.

Grayling grad earns top spot in pet competition

by Dan Sanderson
Staff Writer

A Plainwell pet owner, who has a background working with dogs in Grayling, has earned her spot in the national spotlight.

Toula, a 3-year-old border collie owned by Christine Mahaney, has been recognized as "America's Most Talented Pet" in the national "Petco Stars" competition. Toula beat out more than 600 dogs and received the most online votes in the competition.

Mahaney adopted Toula from a border collie rescue operation in Kalamazoo when she was just 5-weeks old.

The two bonded immediately and started with obedience classes, but Toula was eager to learn and become more of a part of Mahaney's daily routine.

"Border collies need a job to do," Mahaney said. "She got bored with the sit-stay routine at the classes."

Toula and Mahaney compete in agility competitions, where dogs are required to go through a number of obstacles.

Toula can complete 21 various tricks and tasks. When Mahaney comes home, Toula greets her with her slippers. When she sneezes, the dog will get a

Kleenex. Toula can open the refrigerator, get a soda out of a cooler and flush the toilet. When Mahaney sits on the couch, Toula will fetch a pillow. If she says burr, Toula will get her a blanket.

Toula was among a dozen finalists selected for the "America's Most Talented Pet" competition. Mahaney likened the competition to being on "American Idol."

"I was thrilled that people could see what Toula could do and I am proud to show people what you can do with a dog, especially a rescue dog," Mahaney said. "I'm a big believer that you get out of a dog what you put into a dog."

Mahaney said she was able to get Toula to do tasks that she sees her do daily through positive reinforcement.

"We make the training fun for both of us," she said.

Mahaney and Toula will fly to Los Angeles this week for winning the competition. Toula will be featured in national Petco ads. Mahaney and Toula will also meet with agents with the possibility of being featured in movies, commercials and other Continued on Page 9A

Annual Thanksgiving Day meal to be served

by Dan Sanderson
Staff Writer

Forty turkeys are slated to be served for the 14th annual Crawford AuSable Community Thanksgiving Dinner.

Volunteers and Camp Grayling officials are joining forces again this year to provide Thanksgiving meals to the needy and residents who can not be with their families for the holiday.

The dinner will be served from noon to 2 p.m. on Thursday, Nov. 22, at the Camp Grayling Armory.

Volunteers will also deliver hundreds of meals to seniors and people who can not make it to the dinner.

Volunteers moved the holiday feast to Camp Grayling three years ago, since the Knights of Columbus Hall was being used by St. Mary's Church while the church building underwent a \$2 million addition and renovation project. The Knights of Columbus building has since been sold and converted into a Dollar Castle store.

The community dinner was initially organized by Therese and Skip Kaiser, at the St. John's Lutheran Church, in order to provide meals to people who could not host families for the holiday, or travel to visit with their families.

Trees planted

Photo by Dan Sanderson

Maple trees for the City of Grayling's \$1.3 million downtown streetscape project were planted last week. Oak trees for the project won't be planted until the spring. The trees were not available to be planted in the fall, due to the need to prevent the spread of oak wilt. Above, Joe Timson, an employee for Traverse Outdoor Landscaping and Irrigation, places tarp over the roots of a tree.

Officials set to decorate downtown for holidays

by Dan Sanderson
Staff Writer

Downtown Grayling will begin to look a lot like Christmas instead of a construction zone next week.

Contractors for the City of Grayling's streetscape project are slated to wrap up their work this week.

"The project is on schedule and under budget," said Grayling City Manager David Thayer.

Work crews were expected to finish installing brick pavers on

the sidewalks this week. Area asphalt companies will remain open, allowing the top coat on Michigan Avenue, east of James Street, to be applied to the roadway.

The lamp posts are expected to be delivered and put in place by Tuesday, Nov. 13.

Kenmark, Inc., the company hired to provide the Christmas decorations for the city, will have the lamp posts decorated for the holidays once they are installed. Lamp posts from M-72 East to

M-72 West will also be decorated.

Michele Steffey, a member of the City of Grayling Downtown Development Authority (DDA) Board and Christmas decorations committee, said the decorations will have a poinsettia theme. Business owners are encouraged to decorate their storefronts using poinsettia decorations.

"We really want to showcase the city park and the new streetscape," Steffey said. "I think it's going to be spectacular and it's something the community is really going to be proud to have for the holidays."

A Santa in his sleigh will be placed on the Michigan State Police Crime Lab building, which is leased to the state by the city. A lighted fly fisherman will be placed in the AuSable River in the Grayling City Park, and a Christmas tree will be decorated in the park also.

The DDA pledged \$5,000 to decorate the community for the holidays, and an added \$2,500 was garnered from private donations, Thayer said.

The Crawford County Board of Commissioners also pledged \$5,000 to decorate the county building and grounds for the holidays.

"It should have quite a wow factor and the community will be all ready in time for the Christmas Walk," Thayer said.

Museum's logging sled to be restored

by Dan Sanderson
Staff Writer

A group of Grayling men are collaborating to restore a logging relic for the Crawford County Historical Museum.

One day in 1988, Grayling City Police Officers Bob Butzin and Tim Coe, a former Crawford County Sheriff's deputy, were scuba diving in Lake Margrethe. All of a sudden, Coe felt something, but could not make out what the object was because it was under 20 feet of water and most of it was buried in the sand.

Finally, the two realized it was a logging sled from the late 1800s. The sleds were used to transport logs across the ice to the train at the other side of the

lake.

"It was pretty exciting for a diver to discover something that large and old," Coe said.

Besides Butzin and Coe, divers from the sheriff's office air raised the sled. Since the sled was found in a part of the lake that is owned by the state, it went to Hartwick Pines. The sled was later donated to the Crawford County Historical Museum in 1999. Time and weather did their damage to the wooden sled, and it became a safety hazard in the museum's courtyard.

Rich Silva, Bret Black, Allen Dickie, Mike Arwood, Travis Roberts, Justin Wethington, and Jessie Cde Baca, members of the Grayling Firefighters

Association, recently dismantled the sled.

"As soon as we took the chains off that held the logs into place, the sled disintegrated because the wood was so rotted," said Roberts, a member of the Grayling Firefighters Association and the fire marshal/inspector for the Grayling City/Township Fire Department.

In addition to removing the safety hazard, moving the sled allowed the firefighters to move a 1922 Model A American LaFrance Fire Truck and a 1937 W.S. Darley and Co. Champion Fire Engine, which are housed at the museum. The historic fire engines are being restored for use in parades and at community

events.

Joe Duran, the director of Crawford County's Building and Zoning Department, will reconstruct the sled using a sawmill and equipment he has at his home, at no cost to the museum. He is also donating the wood.

"It's a worthy project to preserve history," Duran said. "It will take a lot of work, but will also be a lot of fun."

Roberts is helping Duran with the endeavor, which will take about a year.

Another firefighter, Dwayne Morse, an employee at Air Way Automation, will sandblast the metal parts of the sled and paint them.

"This is truly a community project to reproduce and preserve a piece of Crawford County history," said Priscilla Geyer, the curator for the Crawford County Historical Museum.

Christmas Walk slated for downtown

by Dan Sanderson
Staff Writer

The 30th annual Christmas Walk will be held in downtown Grayling next week to get people in the holiday spirit.

The theme for the Christmas Walk is "Back Home to the Heart of Christmas."

Christmas Walk activities will be held from 5 p.m. to 8 p.m. on Saturday, Nov. 17.

"It's an opportunity for downtown merchants to show what we have for Christmas and to get people in the festive mood," said Ernie Dawson, the owner of Flowers by Josie, and a board member for the Grayling Uptown District Association, the sponsor for the Christmas Walk.

A free showing of the animated movie, "Surf's Up," will take place for youngsters at the Rialto Theatre at 3 p.m.

The children will be done viewing the movie by 5 p.m., in time for the start of the

Christmas Walk parade featuring Santa Claus.

"It's one of the shortest parades in northern Michigan," Dawson said.

Downtown merchants will be serving refreshments in their stores. Musicians will also be performing in the stores or on the sidewalks, Dawson said.

A nativity scene will be at the Michelson Memorial United Methodist Church. Reindeer and a petting zoo, for youngsters, will be located in the parking lot at the North Country Corner store.

A trolley will be available to transport people to activities being held at Mercy Hospital Grayling, the Devereaux Memorial Crawford County Library and the Grayling Promotional Association's Festival of Trees at the Grayling Mini Mall, during the Christmas Walk.

Children from the AuSable

Primary School are designing the luminary bags that will line Michigan Avenue for the Christmas Walk, Dawson said.

Slippery road conditions causes crash

Five people were injured in a two-car accident which occurred on slippery roads on Tuesday.

Crawford County Sheriff Kirk Wakefield said that deputies were dispatched at 7:30 a.m. on Tuesday, Nov. 6, to a multiple vehicle accident which occurred on M-72 near M-18 in South Branch Township.

The driver of one vehicle lost control, crossing the center line and striking the other vehicle in

the side. Extrication was required to remove one injured person from their vehicle.

The five people involved in the crash were transported to Mercy Hospital Grayling for treatment. A pregnant woman and an infant were among the injured.

Mobile Medical Response, the South Branch Fire Department and EMS and the Grayling City Police Department assisted deputies at the scene.

Sadly, Veterans Day is growing in significance

(Author's Note: I put together this essay on Veterans Day a few years ago, and in light of the continuing warfare in Iraq and Afghanistan, it seems even more appropriate this year.)

THE HISTORY OF Veterans Day has evolved with world events.

Back in 1919, Armistice Day was established to hail the end of the bloody war which had enveloped much of Europe from 1914-1918 and to honor American soldiers and sailors who had died in the hostilities.

At the time, that war was known as "The War to End All Wars." In ensuing years, to Americans it became the "World War."

Not until another worldwide war erupted in 1939-45 did it become necessary to attach Roman numerals to our World Wars.

The World War I armistice in 1918 was timed deliberately to

be formalized at the 11th hour of the 11th day of the 11th month. That's the exact minute shooting was to cease.

Nov. 11 - Armistice Day - on the first anniversary of the actual armistice was to be observed in the United States with a suspension of all activity throughout the country for a two minute period on Nov. 11, 1919, at precisely 11 a.m.

That first observance of world peace in 1919 also was marked by parades, public meetings, and speeches.

* * *
PRESIDENT WOODROW Wilson proclaimed the first Armistice Day with these words:

"To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which

it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

In 1920, President Wilson added a religious element when he designated the Sunday nearest Armistice Day for church services to be held in the interest of international peace.

In 1921, Congress established the Tomb of the Unknown Soldier at Arlington National Cemetery, and the third Armistice Day on Nov. 11, 1921 was set for the entombment ceremony. Congress in 1921 also established Armistice Day as a federal holiday.

* * *
UNFORTUNATELY, "The War to End All Wars" did not end all wars. World War II produced even more military deaths and great heroism, along with floods of new veterans who had served their country.

In 1954, Congress changed the name of Armistice Day to Veterans Day, to recognize veterans of both World War I and II in our national remembrance.

But World War II did not end all wars, either, and America has continued to send its young men and young women into battle in numerous foreign lands. Whether these military actions are designated officially as "wars" is beside the point; heroic young men and women continue to serve their country, and far too many are killed in battle.

The interim between American involvements in wars seems to be shrinking. American troops have been sent to foreign hot spots somewhere in the world almost constantly.

Sadly the significance of a special day to recognize the sacrifices and heroism of American service men and women grows each year.

IT WASN'T SUPPOSED to be this way, and the prospects for lasting and universal peace throughout the world are not nearly as bright today as they may have seemed in 1918.

It is fitting to recall the message of President Dwight Eisenhower when Armistice Day was broadened to become Veterans Day in 1954:

"On that day, let us solemnly remember the sacrifices of all those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom."

On Sunday, Nov. 11, 2007, Veterans Day, let's all stop for a few moments of our November weekend and thank those who have given their lives or their service when duty has called.

Let's especially remember and thank those military men and women who continue to serve our nation in Afghanistan, Iraq and other trouble spots

around the globe, and perhaps hearken to the advice of President Wilson in 1920 and offer a prayer or two for them, too.

I would add this humble vision:

Let us hope and pray that the numbers of new American service veterans in the future will diminish rather than increase, and that our national day to honor those who have served their country by bearing military arms will cease growing in significance.

Only lasting international peace, based on human dignity and equal justice, will fulfill such a vision. That should be America's consistent goal.

EDITOR

I care about the future

To the editor:

The Commission on Aging (COA) Board is considering the purchase of the old fish hatchery to house the new senior center.

A year or so ago, a committee was studying the cost of the fish hatchery building to rehabilitate it. They concluded it would be too costly to do so. They stated this decision in the Avalanche article, also stating to sell it.

Now, as a senior who volunteered making crafts, quilting and attending hot dog sales to help build up this fund, I feel along with other seniors, that this is throwing our money away. Seniors past and present worked many hours for this fund. This fund is not only some grant money, it is our money also. The COA Board looked at the K of C Hall and concluded the cost to repair it was out of the question. This building had all the needs for the seniors. A big dining room with a dance floor at one end, kitchen at the opposite end and rooms upstairs for office space. The parking lot was ideal for seniors and visitors.

A few seniors who went to the fish hatchery building said they couldn't see much and were told to bring flashlights. Not only is this building out of the question, the next thing proposed was

making a deal with Mercy Hospital to use some of their parking spaces.

Come on COA Board, the buck stops here.

When you put this young director in this building and everything starts going wrong, you'll blame her and then she has no contract.

She has done a wonderful job in her position as director, and deserves better. Of course, some of you won't be around after you saddle her with this old building.

This old building should be torn down, as should some others. The new roof doesn't hide weather damage done to the main structure, along with termite damage, dried out and old wood timbers, and so on and so on.

Something doesn't set right with this plan. This is a pig in a poke deal.

Seniors, don't let them saddle us with this dumb plan. Let's get an inspector from down state to give us an honest evaluation of any building that the board wants to buy. Preferably from Lansing, seeing there are state money grants.

I care about the future.

VIEWPOINT

By Sheriff Wakefield, Crawford County Sheriff

Safety tips for hunting season

Michigan's fields and forests will soon be alive with blaze orange hunting gear. Sheriff Wakefield wants both visitors and residents of Crawford County to know some important safety rules before setting out to deer camp.

Your hunting license, and the identification used to purchase it, (Michigan's driver's license, identification card, or DNR sport card) must be carried with you at all times while hunting.

All hunters must wear an item

of clothing (hat, cap, vest, jacket or rain gear) in "hunter orange." It must be the outermost garment and it must be visible from all sides. If it is camouflage, at least 50 percent of the garment must be orange.

Hunting hours begin approximately one half hour before sunrise and last until approximately one half hour after sunset.

Safety zones include all areas within 150 yards (450 feet) of an occupied building, house, cabin, barn or other farm building. You

may not hunt in this area or shoot at any animal within this area, unless you have written permission of the property owner.

It is illegal to drink alcohol or use intoxicating drugs before hunting.

Sheriff Wakefield also wants hunters to take the following precautions to prevent injury or death while hunting this season:

Familiarize yourself with the area where you will be hunting. Never assume you are alone in

the woods. Never assume other hunters are acting responsibly.

If sitting against a rock or tree, make sure it is wider than your shoulders, so you are not mistaken for a target.

Be 100 percent sure of your target before shooting.

Sheriff Wakefield urges all hunters to act responsibly this season. "Reacquaint yourself with Michigan's hunting laws and follow these safety tips to prevent a tragedy from happening this year."

Recovery 'Learning Community' forming

People interested in learning about transforming the local public mental health system, to one which is based on recovery principles, are invited to join a "Learning Community" on the topic at Northern Lakes Community Mental Health (CMH). The first meeting of the Recovery Learning Community will be held from 10 a.m. to 12 p.m. on Thursday, Nov. 29, at the Northern Lakes CMH office at 204 Meadows Drive in Grayling.

Learning Communities are mixed groups of people who come together on an ongoing basis to share information and learn about a specific topic in depth. In this case, the Recovery Learning Community will look at topics pertaining to recovery for adults with mental illness. Adults with mental illness, who receive services at Northern Lakes Community Mental Health (or elsewhere), family members, and interested others among the general public, are all invited to participate.

According to Greg Paffhouse, Northern Lakes CEO, the Recovery Learning Community will provide an opportunity to support current interest and promote new interest in mental health recovery and to celebrate

and share new recovery stories for current and new consumers. It will also provide an opportunity to tie together various local initiatives which pertain to system transformation, such as anti-stigma, peer support specialists, co-occurring disorders treatment, and suicide prevention.

The venue will provide opportunities for people to inspire one another, and will help build a recovery culture throughout the Northern Lakes CMH organization so that people engaging in the system all expect and embrace recovery.

"By coming together on a regular basis, consumers, staff and interested others have a structured, ongoing dialogue about various aspects of recovery. Participants can share practical knowledge, techniques, breakdowns, and breakthroughs. They can champion improvements and help to build the recovery culture throughout our communities," says Paffhouse.

The Learning Community will convene once monthly for two hours.

For additional information, contact Greg Paffhouse (231) 876-3200 or Val Bishop (231) 876-3309 at Northern Lakes CMH.

The Bible Speaks

No Destruction from Law

We are "not under the law, but under grace." (Rom. 6:14). We are forbidden to sin under grace also. (Rom. 6:15). Grace reigns over the power and persuasion of sin. Ultimately we are personally responsible to yield to God's authority in our daily lives. "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" (Rom 6:16).

Our obedience identifies the authority reigning in our lives. We are either yielding unto God or unto self, sin, and Satan. As Jesus said in Matt. 6:24: "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon."

Our obedience identifies the action controlling our lives. We cannot love God while loving the lust and pride of this world. (James 4:4; 1 John 2:15,16). "For the love of money is the root of all evil; which while

some coveted after, they have erred from the faith, and pierced themselves through with many sorrows." (1 Tim 6:10). Some people follow material things and others seek to please people. As Paul said in Galatians 1:10: "For do I now persuade men, or God? or do I seek to please men? for if I yet pleased men, I should not be the servant of Christ."

Our obedience identifies the achievements which reign in our lives: "...his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness." Jesus taught us in Matthew 7:16-20 that the fruit of our daily lives identifies who we really are. "Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them." Our fruit is also part of the context of Chapter 6:21,22: "21What fruit had ye then in those things whereof ye are now

ashamed? for the end of those things is death. 22But now being made free from sin, and become servants to God, ye have your fruit unto holiness, and the end everlasting life." Our fruit identifies our root.

Those willfully practicing sin, are the servant of sin as Jesus said in John 8:34: "34Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin." Sin involves not only evil thoughts, words, and deeds, but also failure to do what we know is right according to James 4:17: "17Therefore to him that knoweth to do good, and doeth it not, to him it is sin."

Our "...obedience unto righteousness... will lead to those precious words of our Lord, "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord." Obedience to our Lord is the choice of the faithful. Pastor "B"

Sister Alice Marie Morrow, RSM, 89, a Sister of Mercy for 63 years, died on November 3, 2007, at McAuley Retirement Center in Farmington Hills.

She was born to Cyril and Mary (Duffinet) Morrow on August 24, 1918, in Cheboygan.

She worked with the sick and elderly for several years and joined the Sisters of Mercy in Detroit in 1941. She received the name Sister Mary Emily upon her formal reception into the community and made perpetual vows on August 16, 1947.

Sister Alice Marie earned a bachelor's degree from Mercy College of Detroit and a master's degree in education from the University of Detroit. Her teaching assignments brought her to Catholic schools in Howell, Rogers City, Traverse City, Grand Rapids, Ludington, Detroit, Berkley, Lansing, Dearborn, Wyoming, Holland and Cheboygan. She was principal at Immaculate Conception School in Traverse City and Holy Name School in Wyoming.

Sister Alice Marie served as a social services clerk and pastoral care volunteer at Mercy Hospital in Grayling for eight years and later as pastoral minister at St. Mary/St. Charles Parish in Cheboygan. She retired to McAuley Center in 1994.

Sister Alice Marie was a highly skilled primary teacher and a number of the sisters said that she could teach anyone to read, even beyond the primary grades. She excelled not only in the classroom, but also as a principal and supervising teachers at Mercy laboratory schools in Detroit. A special accomplishment for her was the establishment of a kindergarten at St. Francis de Sales School in Holland. Unassuming and cheerful, Sister Alice Marie maintained friendships wherever she went. Former students often came to McAuley Center to visit their favorite teacher. When her last illness deprived her of her vision, Sister Alice Marie especially enjoyed having visitors and a quiet time to pray.

She is survived by several nieces, nephews, the Sisters of Mercy, and her many friends.

A welcoming service was held on November 5, at McAuley Center, 28750 W. Eleven Mile Road, Farmington Hills, followed by a remembrance service at 7 p.m.

The Mass of Resurrection was celebrated in McAuley Center's Sacred Heart Chapel on November 6, with interment in Holy Sepulchre Cemetery, Southfield.

Memorials may be made to the Sisters of Mercy Ministry Fund, 29000 Eleven Mile Road, Farmington Hills, MI 48336.

Arrangements made by McCabe Funeral Home, Farmington Hills.

Don't move firewood during deer season

Hunters hoping to bag a white-tail deer this firearm season may be breaking the law if they are bringing hardwood firewood from their home to their hunting camps. Hunters are reminded not to move hardwood firewood this hunting season to help stop the spread of the Emerald Ash Borer (EAB).

EAB, an exotic beetle native to Asia, is responsible for the death or damage of 25 million ash trees in Michigan. EAB larvae live and feed undetected beneath the bark of ash trees, making any piece of ash firewood a potential vehicle for the accidental transport of the insect. Firewood that may appear unfested could be carrying EAB larvae under the bark.

The Michigan Department of Agriculture (MDA) will be stepping up vehicle inspections at the Mackinac Bridge in an effort to prevent hardwood firewood from entering the Upper Peninsula. The inspection station helps support the state's EAB interior quarantine by inspecting and restricting movement of regulated articles into the Upper Peninsula.

"Hunters are urged to use local sources of firewood, burn all they purchase, and not take any unused firewood back home or to their next location," said Don Koivisto, MDA director. "Many infestations in Michigan and surrounding states have been a direct result of people inadvertently moving infested firewood."

Individuals or businesses found violating the state's EAB quarantine are subject to fines ranging from \$1,000 to \$250,000 and jail time of up to five years for moving regulated materials, including firewood.

Additional information about EAB, and a map of the quarantine boundaries, are available at www.michigan.gov/eab or www.emeraldashborer.info.

Contract with city police approved

Continued from Page 1A

Grayling City Manager David Thayer said.

Police officers will be paid time and a half if they are scheduled to work on a holiday, instead of being paid an extra eight hours whether they worked the holiday shift or not. The officers will also be paid for 11 holidays instead of the previous 13 paid holidays.

The officers will maintain their 12-hour work shifts, but will work no more than 12 hours at a time if an officer is not able to cover their normal shift.

"That was one of the issues I had because I was worried about fatigue," Thayer said.

The contract also requires the officers to pay higher deductions and prescription co-pays for health insurance.

"All and all it's a very fair health insurance program that we now have citywide with all the unions and all the employees," Thayer said.

Thayer said he was pleased that he was able to improve his rapport with the police officers in order to get the contract settled.

"I realized that I couldn't get everything in one swoop. I have to start with this contract and work on issues that we would like to see changed for the next contracts," Thayer said.

national advertising campaigns.

Mahaney is a 1986 graduate of Grayling High School. While growing up in the community, Mahaney adopted a dog and spent time at the Animal Shelter of Crawford County, now the AuSable Valley Animal Shelter.

Mahaney said her time at the shelter had a profound effect on her.

"It was a good thing for me to see how a shelter runs, what

the possibilities are and that you can re-home those dogs and get them out of there," she said.

Mahaney's mother, Marie Mahaney, recently attended an event in Plainwell, where it was declared "Toula Day."

Marie Mahaney said she is thrilled to see Christine and Toula gaining national notoriety.

"It's amazing to watch her," Marie said of Toula. "It's hilarious to watch her because she's so happy."

Budget deal saves Shawono Center

Continued from Page 1A
Center and the Shawono Center represent two of the most efficient juvenile justice facilities in the state. Closing them would have shifted the cost burden to local schools, and ultimately local law enforcement, since many of the un-rehabilitated children would have ended up back on the streets," Sheltrown said. "I have said from the beginning that we need a budget that is fiscally responsible and includes needed government cuts and reforms. However, closing Nokomis and Shawono would have been a

bad deal for taxpayers, and that's why I fought to save their funding."

The final DHS budget for the current fiscal year includes \$80 million in reforms, part of the \$433 million in cuts which were required to balance the state's general fund budget.

"Saving Nokomis and Shawono is a win-win situation for all of us," Sheltrown said. "It ensures the continued safety and stability of our local communities, while maintaining the leanest, most efficient juvenile justice facilities in the state."

Chuck Amman, the director

of the Shawono Center, said staff was working with DHS officials and state lawmakers as they went through the budget process. The Shawono Center has 44 employees.

"We're overjoyed that we're still in business," Amman said.

Although the Shawono Center was spared from shutting down, Amman said there are still two issues the facility will face in the coming year.

First, the reimbursement rates paid to house a juvenile offender will be determined by the legislature, rather than past funding formulas developed by

DHS officials.

"They can do what they want with those numbers, which might be a problem down the road," Amman said.

The legislature also reserved beds at the W.J. Maxey Boys Training School, located in Whitmore Lake, for the most serious juvenile offenders. That could mean that the Shawono Center could see more placements in the short term, while private agencies increase their capacity to house offenders as state officials continue their push to privatize DHS programs, Amman said.

Annual Thanksgiving Day meal to be served

Continued from Page 1A
Last year, volunteers served and delivered 630 meals. Therese Kaiser is looking for another big year due to the economy and people who opt not to travel to be with their families, due to high gas prices. Volunteers already have received 45 reservations for

meals, or delivered meals, from letters distributed by the Department of Human Services and Commission on Aging, which distributes the Meals on Wheels program.

"I anticipate that this is going to be one of the biggest years we have had," Therese Kaiser said. "I hope that people who

really need a meal are going to call us."

To schedule the delivery of a meal, contact Sally Golnick at 348-9418.

It takes between 30 to 35 volunteers to help prepare, serve and deliver the meals. Volunteers are encouraged to contact Therese Kaiser at 348-

1674 to schedule their shifts.

"We never know how many volunteers we are going to have," Therese said. "We have no clue who's going to be there until we walk through the door."

Special arrangements have been made with Camp Grayling security, instituted following the Sept. 11 terrorist attacks, to allow volunteers and people attending the meal to be on the military base.

"It's been a great partnership and it's a great facility to have the dinner at," Therese said.

Camp Grayling troop training halted for deer hunting

Training at Camp Grayling will be suspended during the firearm deer season, while hunters head into the woods in search of the elusive white tailed deer.

As in past years, training maneuvers at Camp Grayling will not take place Nov. 15-30, during the firearm deer hunting season.

"It's just to make sure that there are no chance of conflicts," said Lt. Col. Tom Lamie, the spokesperson and deputy commander for Camp Grayling. "We don't allow weapons firing during those two weeks."

Areas off limits to deer hunting include the Hanson Game Refuge, Range 13 in the south camp and the Range 30 (the Multi Purpose Range Complex) and Range 40 impact areas.

"We certainly don't want civilians going out there and coming across unexploded rounds, so the simplest thing to do is to keep away from the ranges," Lamie said.

Camp Grayling officials highly encourage hunters to check with the Department of Natural Resources to determine which areas are open to hunting. Current force protection requirements limit access to Camp Grayling's main cantonment area.

Camp Grayling continues to provide the training ground and assets to prepare military units for deployment in support of Operation Iraqi Freedom and Operation Enduring Freedom. Almost 1,000 Michigan National Guard soldiers and airmen are deployed, with another 1,000 preparing for deployment in the near future.

Volleyball squad ends season with district tournament loss vs. Chiefs

■ *Cheboygan wins District 63-B series vs. GHS 3-0 on Saturday at Roscommon*

Grayling High School's varsity girls volleyball squad finished its 2007 fall season with a 3-0 district tournament loss to the Cheboygan Chiefs on Saturday, Nov. 3, at

Roscommon Middle School.

In the first two series of the five-team District 63-B tournament, Cheboygan defeated Elk Rapids and Petoskey edged Roscommon 3-2.

In the third match of the day – a semifinal battle featuring Grayling vs. Cheboygan – the Chiefs won 25-11, 25-16, 25-

6. Rachel Ward had a team-high three kills for Grayling. Ashley Feldhauser had two kills. Savannah Foguth had six assists for the Vikings. Renee Clair and Feldhauser each had one block. Ward served 100 percent with one ace.

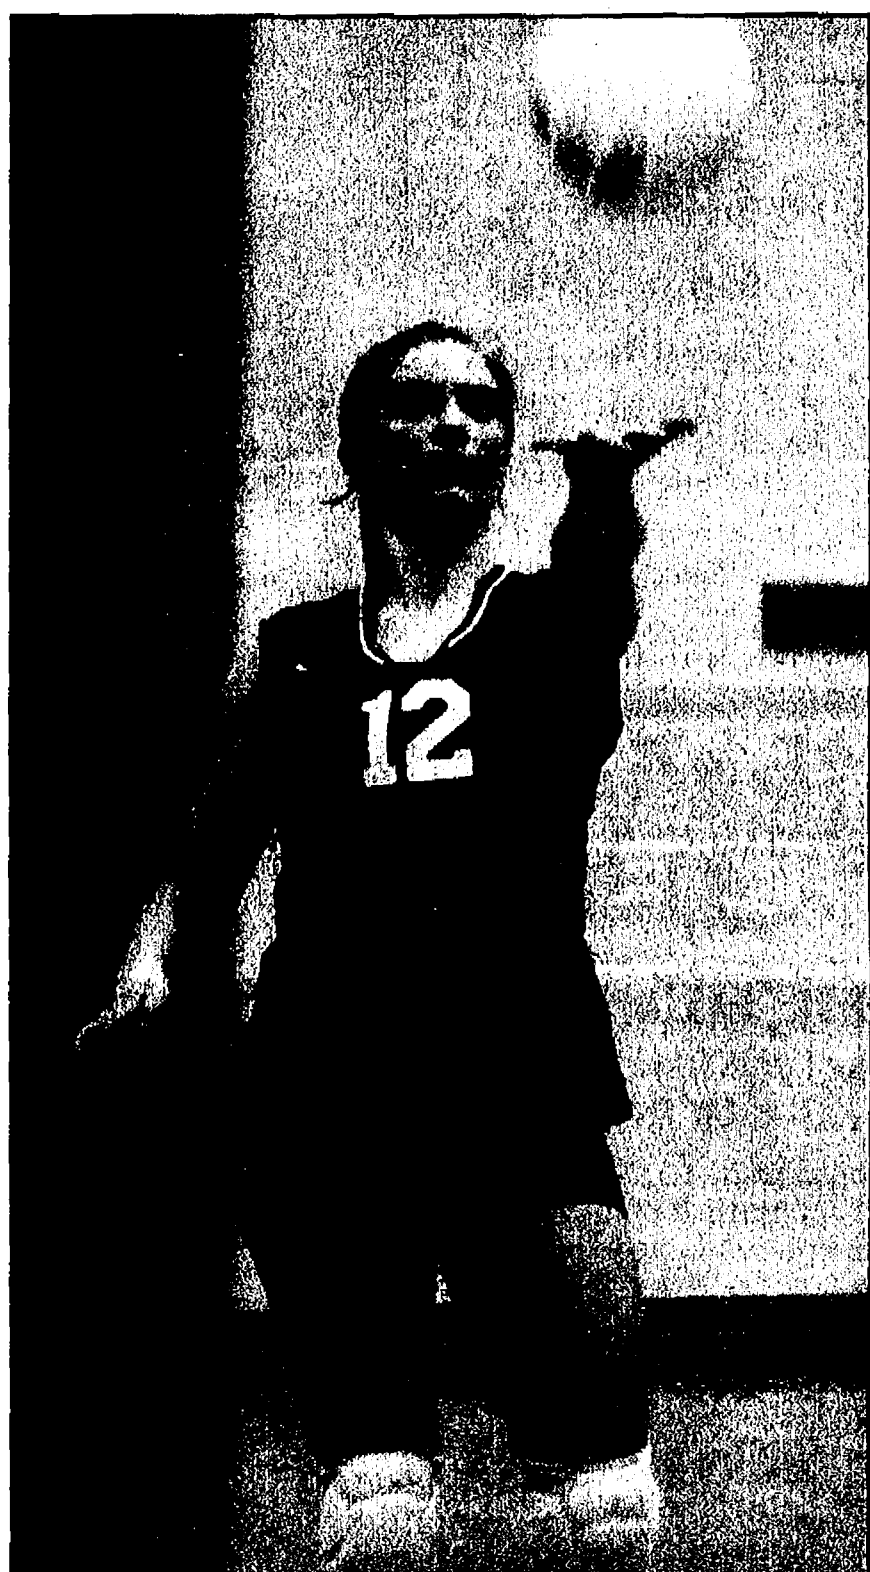

"Saturday's game was disappointing. We were hoping for a fresh start, new motivation

going into districts, but it just didn't happen," Coach Jessica Szymoniak said. "Consistent passing has been a problem all year and it didn't seem to get better for the big game. All week we practiced playing against a fast offense with game-like situations, but we couldn't make the reads from Cheboygan's offense."

"This season can be summed up with one word – change. The seniors of this season had to adjust to a change in seasons, coaching, offense, defense, and social conflicts. This group of seniors learned a lot of life lessons in a two-and-a-half month season and handled it pretty well. They stuck through the change and

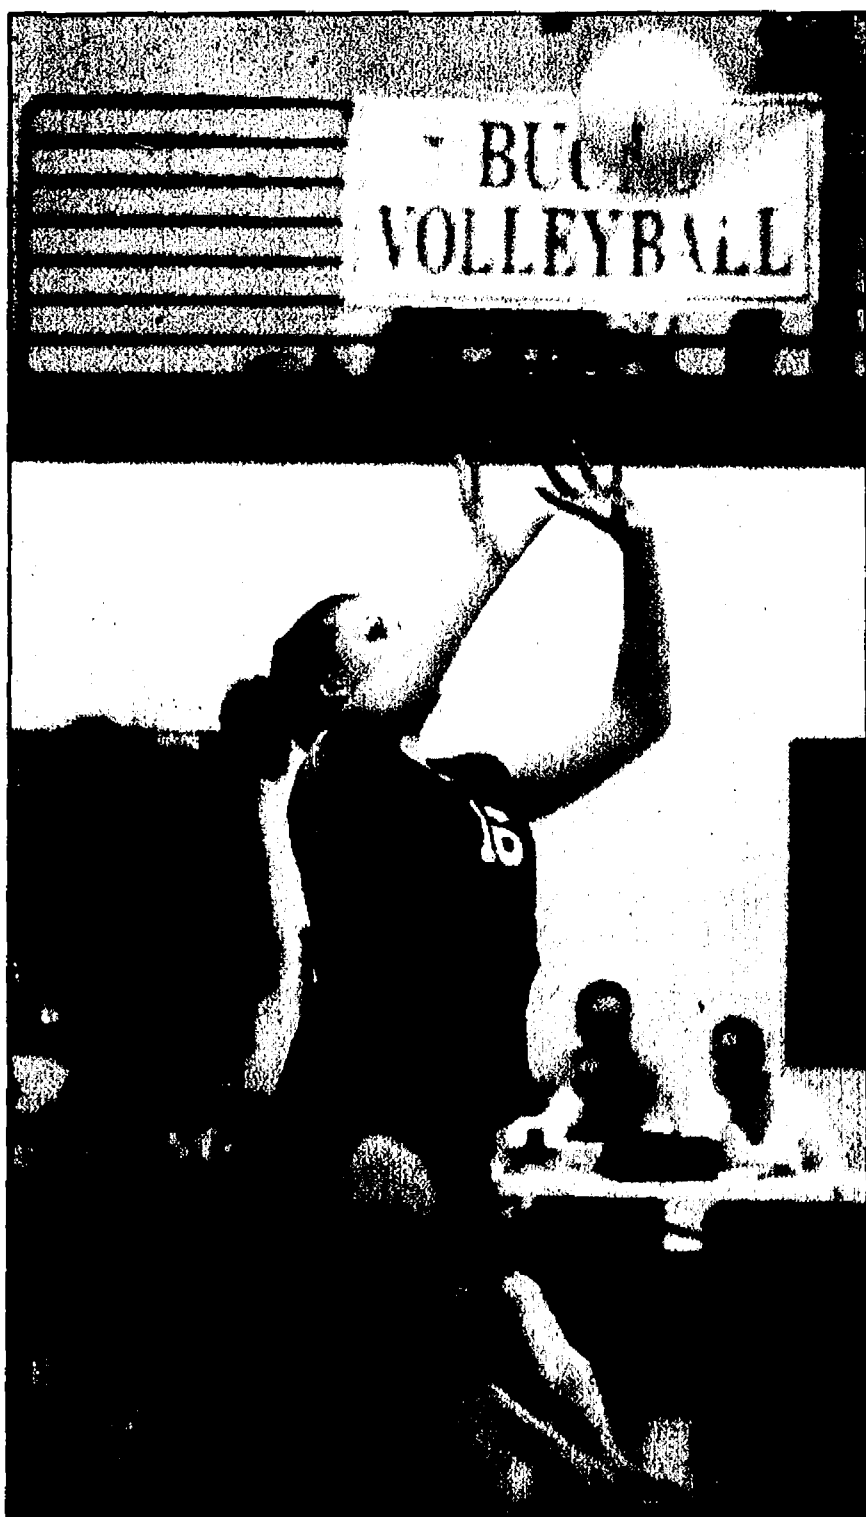

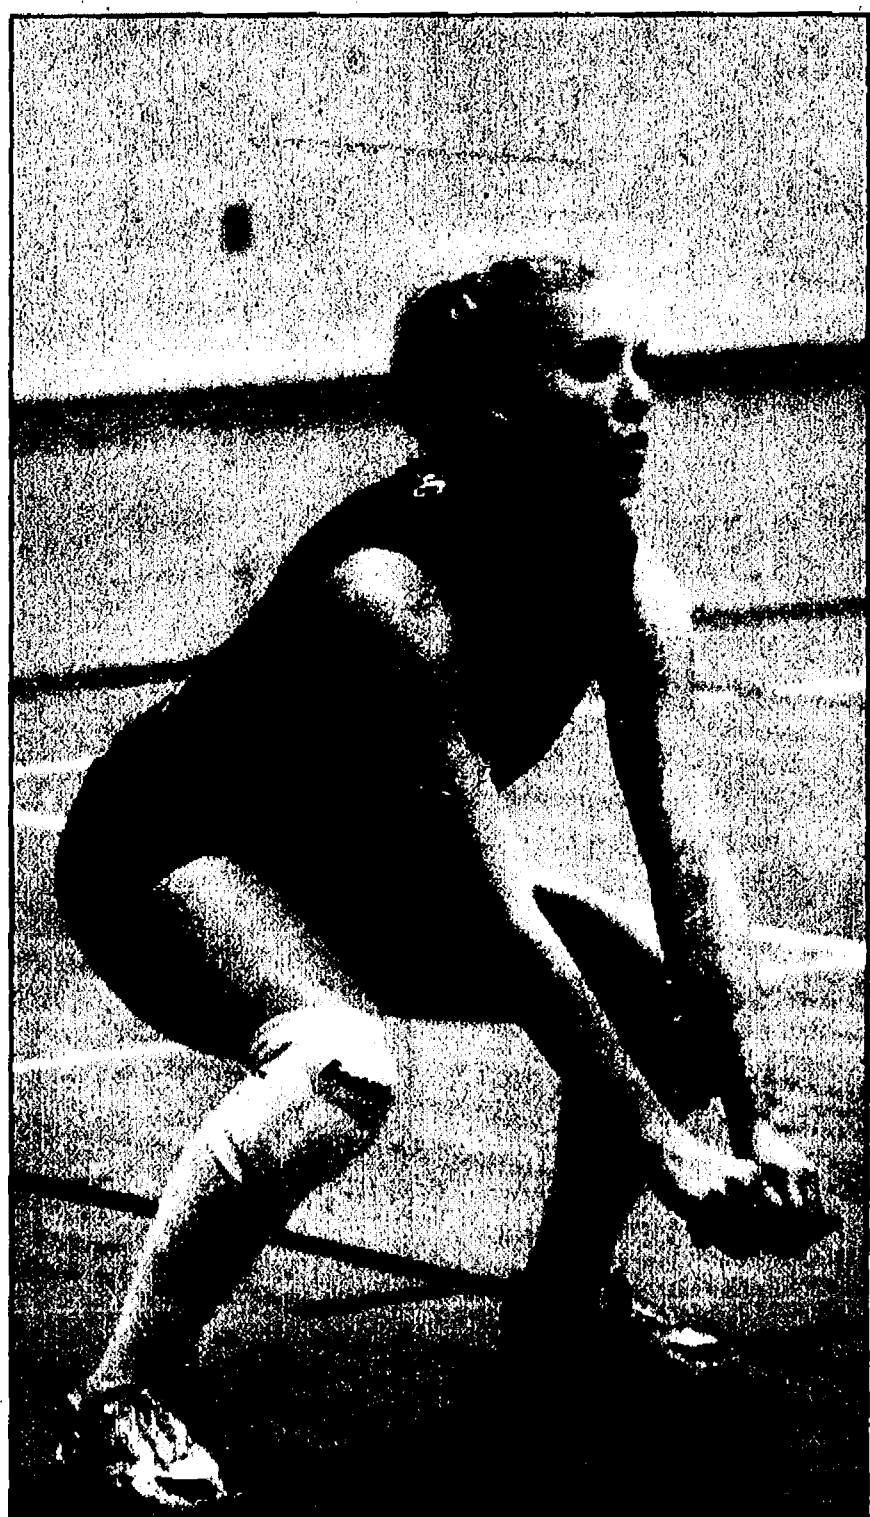

showed the underclassmen not to quit just because things change," Coach Szymoniak said.

Petoskey defeated Cheboygan in the district finals to win the tournament. The Northmen advance to the Region 16-B tournament to be held at Benzie Central on Friday, Nov. 9.

KIRTLAND CROSS COUNTRY

No, they didn't bring home a first-place trophy. But head coach Steve Seager said he couldn't have been any happier for the members of his Kirtland Community College men's and women's cross country teams after their performances at the National Junior College Athletic Association Region XII Championships on Saturday, Oct. 27.

The men's 8K and women's 5K races were hosted by Lansing Community College at Lansing's Grand Woods Park. That's the same location LCC used for its invitational earlier this fall, where two Firebird runners set new school records.

The Kirtland harriers must like the course. Despite running in less than ideal conditions, they again established new school records.

Freshman standout Jesse Moggo (Kalkaska) broke his own mark of 29 minutes, 29 seconds, set at the LCC Invitational on Sept. 28, by crossing the finish line at the Region XII Championships in just 28:39. His effort placed him 26th overall in the field of 66 runners, representing at least nine community colleges.

"That's unbelievable," Seager said. "To run as hard as he did (on Sept. 28) and do nearly a minute better. But the best part was that everybody did a personal best. And it was a tough day to run. It was rainy, and the course was muddy and slippery."

Freshman Grant Ijames (Pottersville) was the second Firebird to cross the finishing line Saturday, beating his previous time at Lansing by more than

a minute. Ijames posted a time of 29:24 to finish 32nd overall, 67 seconds faster than the 30:31 he ran earlier this fall.

Other runners competing for Kirtland were: Paul Owen (Gaylord, 45th, 30:57), Joseph Paladino (Kalkaska, 52nd, 32:42), Joseph Carr (Roscommon, 58th, 36:24) and Spencer Derenzy (Grayling, 61st, 37:41). The Firebirds were without freshman Joshua Dotson (Ogemaw Heights), who couldn't compete due to an injury.

"What a great way to end the year," Seager said. "Everyone was giving each other high-fives at the end. Just a fantastic job."

"I felt good and the team felt good about their performance," he added. "The kids were more on fire than I've ever seen them, about the season and about what they had accomplished."

Kirtland finished in seventh place in the team standings with 181 points. The host LCC Stars, led by Rex Kiptuli (1st, 25:31), won the regional event with just 15 points, 65 points ahead of second-place Jackson Community College.

Like Moggo, freshman Barbara Council (Gaylord) ended her first season at Kirtland by breaking her own record of 22:16, set at the Sept. 28 invitational. Council finished the 5K course in just 21:40 on Saturday to take 16th place overall.

Other Lady Firebirds competing in the field of 59 runners at Lansing included: Angie Martella (Grayling, 49th, 26:10), Lisa Koch (Roscommon, 55th, 30:18), Mindy Handrich (Fairview, 56th, 30:59), Elizabeth Godwin (Roscommon,

Spencer Derenzy (Grayling), left, and Joshua Dotson (Ogemaw Heights), right, run for the KCC cross country team during a meet in September.

57th, 31:59) and Monica Fiebelkorn (Roscommon, 58th, 32:23). Godwin and Fiebelkorn beat their previous times at Lansing by more than six minutes.

The Lady Firebirds also placed seventh overall in the team standings with 176 points. And, again, host LCC (36 points) won top team honors.

"Just amazing," Seager said of his teams' efforts on Saturday.

"What that plays to is ... their ability to train hard. And the second thing is they stayed motivated for the entire season. They were totally motivated to do their best."

Seager added that several runners told him they're already looking forward to preparing for the 2008 season.

"This really helps us for next year," he said. "I know we're going to get better."

GMS GIRLS BASKETBALL

Grayling Middle School's 7th and 8th grade girls basketball teams recently finished their 2007 seasons with their final games of the year and an end of season pizza party.

"The season was spent developing and using skills learned in practice," coaches said. "The games allowed them to use and fine tune the practiced skills.

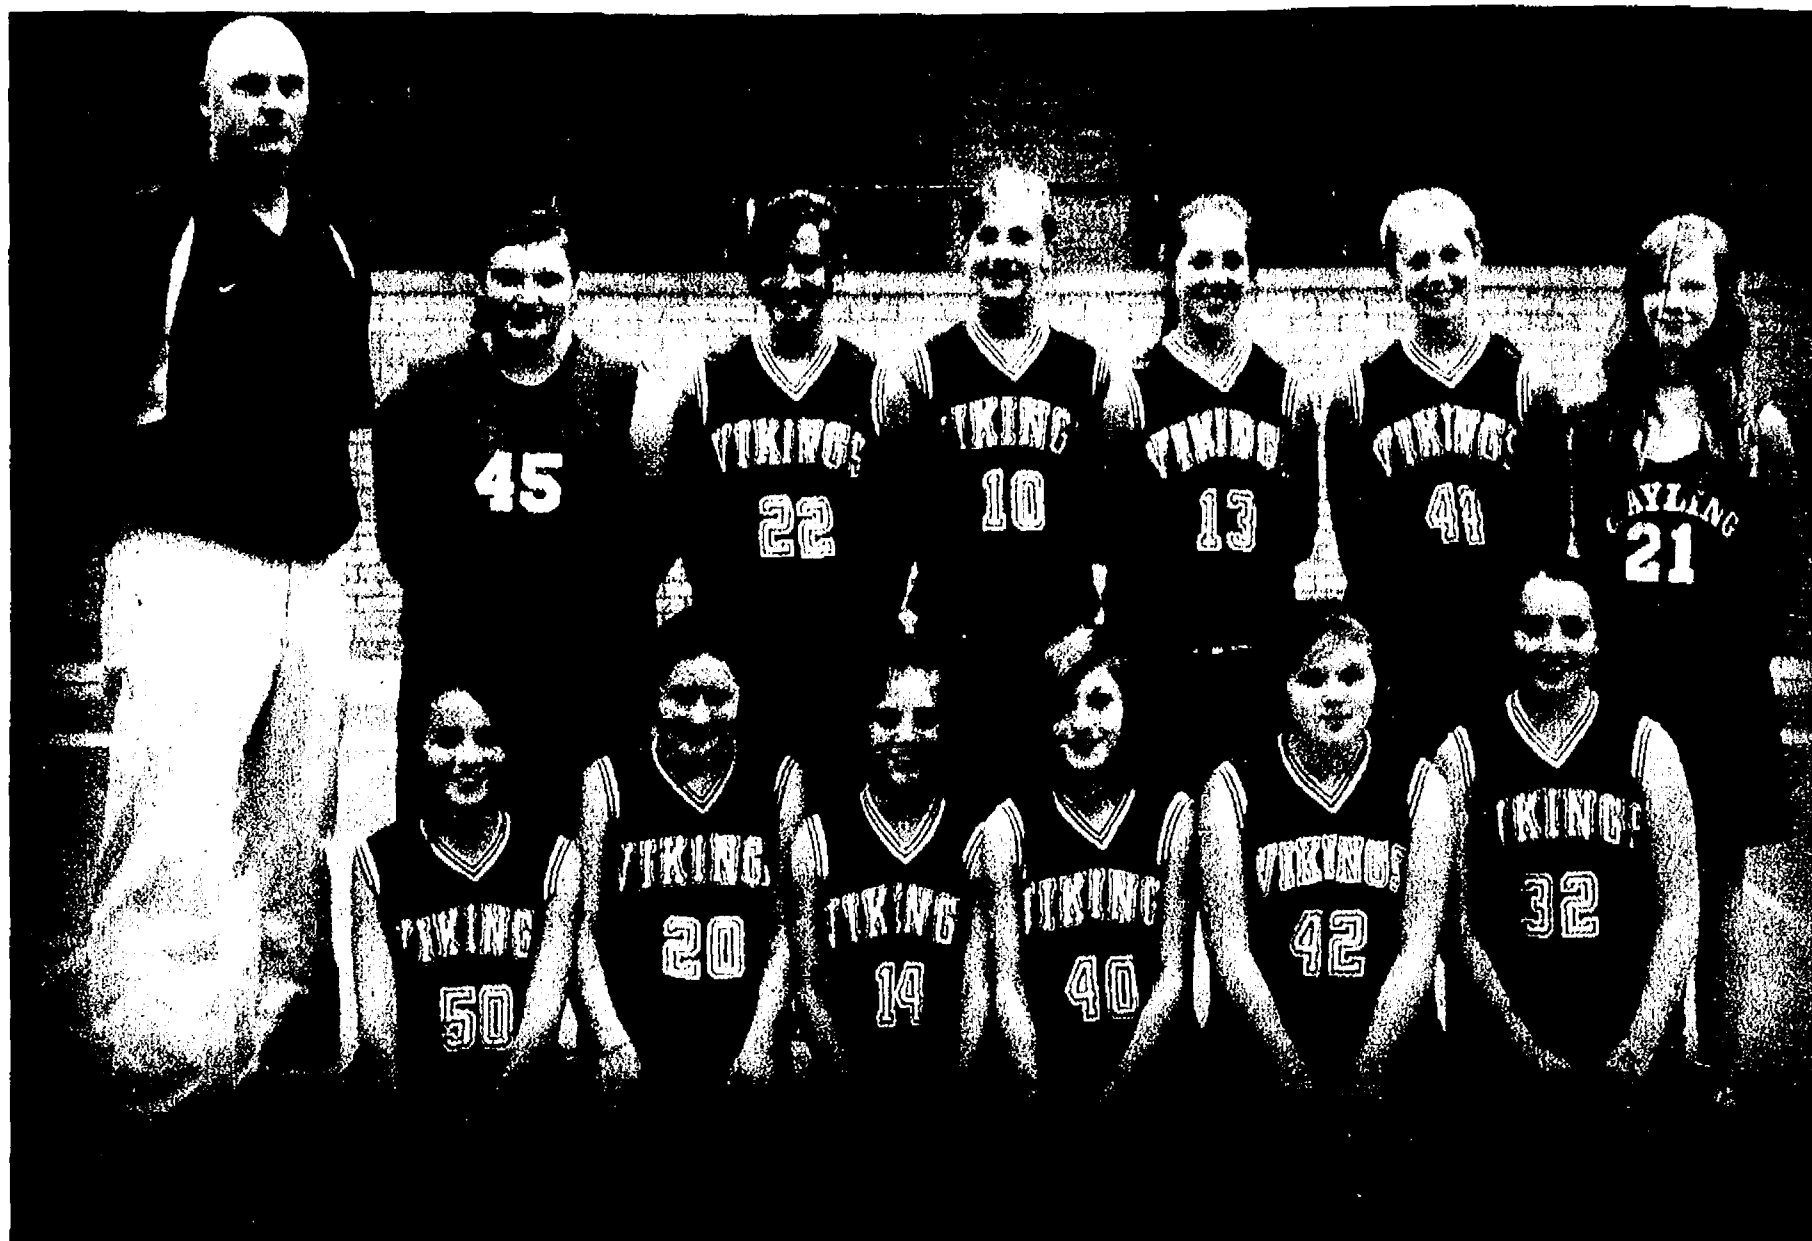

Both teams had shown marked improvement in the short season. The girls worked hard, played hard, and had fun, and all are looking forward to next year."

The 8th grade team, coached by Rod Roach, included Darcy Greer, Chloe Harwood, Lindsey Johnson, Samantha Hansen, August Ledesma, Jamie Denton, Myrissa Kuhn, Josie Swander,

Elaine DesEnfants, Andrea Malm, Kara Malm, and Abigail Hatfield.

The 7th grade team, coached by Judy Umlor, included Courtney Nickerson, Tiffany Mitchell, Stanna Dorn, Shanley Dorn, Kierstan Mead, Carly Dunckley, Caitlin Prosser, Jo Hamlin, Hannah Haven, and Alyssa Morley.

Grayling and other Lake Michigan Conference schools elected to keep middle school girls basketball in the fall this year, even though high school girls basketball is moving from fall to winter this year due to a court ruling against the Michigan High School Athletic Association in a gender equity lawsuit.

KIRTLAND BASKETBALL

The season-opening hoops clash with visiting Owens Community College didn't go as hoped for the Kirtland Community College women's basketball team. The host Firebirds fell 89-69 in their first-ever game at their new home, the McGregor Athletic Complex in Mio, on Saturday, Nov. 3.

Fouls and free throws were two key factors in the game, and both went against Kirtland (0-1 overall) as four starters fouled out in the second half. The visiting Express (1-0 overall) hit 25 of 40 free throws in earning the road win, compared to the Firebirds' 16 of 25 performance at the line.

"We put them on the foul line and they didn't miss that many," said Firebirds second-year head coach Tom Ritter. "Owens is a good team and they're a seasoned team."

Ritter said Owens might have been better prepared for the game, despite it being the season-opener for both teams, after play-

ing four pre-season scrimmages. Kirtland played just one before Saturday's home loss.

Owens bolted out to an early double-digit lead in the first half, thanks in part to the fact Ritter had to sit two of his starters with early foul trouble. But Kirtland used defensive pressure to force the tempo and cut the gap to 44-36 at the half.

"There were times we were back in the ball game," Ritter said. "That's good, because we let them get off to such a good start."

"If it wasn't for the foul trouble, it would have been a better game," he added. "We've got to work on that."

Freshman Whitney Bonham led the Firebirds with 27 points. Her performance included hitting one three-pointer and 6 of 10 free throws. The freshman forward/center from Evart also pulled down 11 rebounds and had 1 assist.

Bonham, and sophomore

guard/forward Jessica Smith (Mio), were the only Kirtland players to score double digits, with Smith chipping in 15 points, 11 boards and 2 assists. Freshman forward/center Sarah Ostroski (Standish-Sterling) added 9 points and 6 rebounds in the loss.

Other contributors for the Firebirds included: Kaylon Leslie (Whittemore-Prescott) with 6 points, 3 rebounds and 2 assists; Brooke Robinson (Standish-Sterling) with 5 points and 5 boards; Jo'ell Cruse (Inland Lakes) with 3 points; Trisha Petersen (Grayling) with 2 points, 4 rebounds and 4 assists; and Natasha Dewald (AuGres) with 2 points, 3 boards and a team-best 7 assists. Christy Kowalski (Onaway) handed in a pair of assists for Kirtland in the non-conference clash.

Unique Lane and Melanie Schroeder led the visiting Express with 16 and 14 points, respectively.

HOROSCOPES

For the week of November 8, 2007

December 22-
January 19

A project hits a major snag, and all are vying on you to fix it. Grace under pressure is everything at the social event of the season.

March 21-
April 19

Stay put, Aries. Don't go running after a friend in trouble. Let them find their own way out, and perhaps they won't make the mistake again.

June 22-
July 22

Perfect, Cancer. A relative's health crisis ends, and you have more free time. Go ahead and be stingy with it. You deserve some solitude after all of this.

September 23-
October 22

Do! Do! Do! A proposal requires detailed research. Put in the effort, and the kudos will be yours. Romance blossoms, as old arguments finally come to an end.

January 20-
February 18

It's all about the numbers this week, Aquarius. Sit down, make a list of your expenses and find out exactly where your money goes. You'll be amazed at what you discover.

April 20-
May 20

Passion bubbling over? Use it to breathe new life into an old project. A contentious issue is debated. Charm means everything at home.

July 23-
August 22

Emotions running high? Stand back and let the office drama play out on its own. Comedic routines at home make you giggle and provide much needed relief.

October 23-
November 21

It's not a big deal this week, Scorpio. Make as many changes as are needed to move things along. Controversy plays vacation plans. Put them on hold and wait for a better time.

February 19-
March 20

Give! Give! Give! An organization close to your heart is in dire need of your services. Find time to give back, and others will follow your example.

May 21-
June 21

Drat, Gemini. A friend's loquacious touches a raw nerve. Do your best to overlook it. Now is not the time to call them on it. An e-mail takes you by surprise.

August 23-
September 22

Give it a rest, Virgo. You've grasped at straws long enough. More important matters are calling your name. A fiesta with friends provides food for thought.

November 22-
December 21

Help us celebrate Callie's Birthday! This wonderful dog has been housed at the shelter for 2 whole years! She is the smartest dog that I know and probably the most unique. She is here waiting for just the right family to come take her home. The shelter staff will be celebrating Callie's big day on November 9th. We invite everyone to come and wish Callie a Happy Birthday and a great year.
